

Rothco Concealed Carry Bag

Rothco's Concealed Carry Bag is a cover tactical essential for the range. With a discreet carry pocket and rear zippered compartment for items, it ensures secure storage. The main compartment features a U-shaped dual zippered flap for quick access, while side zippered pouches with MOLLE attachment offer additional storage options. Equipped with adjustable/removable shoulder straps and top carry handles for versatility. Constructed from heavyweight polyester with D-rings and MOLLE webbing for added functionality. This range bag measures 12 inch x 7 inch x 10 inch, providing ample space for all your shooting essentials.
