

**Rothco MOLLE
Tactical
Tourniquet and
Shear Holder
Pouch**

**Rothco's MOLLE
Tactical "TQ"
Pouch is a crucial
addition to your
gear for
emergency
situations.
Designed to
provide quick
access to your
standard
tourniquet and
trauma shears, this
pouch ensures that
essential
equipment is
always within
reach. The
MOLLE
compatibility
allows for easy
mounting on your
belt, tactical vest,
pack, or any gear
equipped with a
MOLLE panel.
Featuring an easy-
grip pull tab on
the hook and loop
front cover, this
pouch allows for
instant access to
your tourniquet
(sold separately)
when time is of the
essence. Elastic
straps on the side
of the pouch
provide a secure fit
for tourniquets of
various sizes,
ensuring that they
are held in place
during movement.
Additionally, the
hook and loop
back pocket is
perfect for storing
trauma shears
(sold separately),**
